About the College

Cauvery College for Women (Autonomous) situated on the southern banks of the River Cauvery symbolizing Youth, Freshness, Vigor and Fulfillment was started by The Reddy Educational Trust in the year 1984 with 40 students in B.Com. Identified as the college of potential 'Mentor Institution' by UGC, as on date the College runs 15 UG, 10 PG and 6 Research programme with a total student strength of 5200. Accredited by NAAC in its III Cycle, the College has got an A Grade for the year 2017-2022. The College has a dedicated band of 228 teaching members and 207 non-teaching working towards the vision of the college so as to promote Academic Excellence, inculcate qualities of Competence, Confidence and Excellence for Employability and developing Self Reliant individuals. Various national and state level seminars, research activities, hosting of lecture series, strengthening of laboratories etc were being supported by national level organizations like UGC, MHRD, DST, IASC, RGNID and National Commission for Women. The College has acquired its Autonomous status in 2019 thus gaining more freedom to structure its courses, pedagogy, assessment and examination and in April 2020 University Examinations, the college has secured 85 ranks. To its accolades, the College has obtained ISO 9001:2015 certification from the Indian Register Quality Systems with a three year validity.

About the Department

The Department of Social Work was started with BSW in 1985 with a vision to train the young minds with right aptitude to serve humanity. Ours is a pioneering institute offering BSW course in the whole of Tamil Nadu. Its milestones include the introduction of MSW in 1995, MPhil in 2005 and PhD in 2011. The department is galloping to advance the personal, social, intellectual and personality of the students through Social Work Education thereby students achieve higher positions in serving the society across local and global community. A learning environment is created so to help the students to acquire knowledge, skills and values of Social Work become competent in Social Work profession. The Best practices of the department includes Curriculum delivered with day-to-day updating, Equal opportunities to all students, System of personal interaction by close monitoring and advisory by teachers, Practice of Social Work methods through community outreach programme, Alumni's Financial support to the most needy students, Empathetic and Collaborative mentoring and also International Collaborations with Department of Social Work, Umea University, Sweden (2004 to 2012) and Department of Social Work and Health Sciences, Plymouth University, United Kingdom from 2012 to 2013.
