

Cauvery College for Women (Autonomous)

Annual Report 2020-2021

Education has changed drastically due to the global pandemic. This led to the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms. There is a paradigm shift in the way educators deliver quality education—through various online platforms. The online learning, distance and continuing education have become a panacea for this unprecedented global pandemic, despite the challenges posed to both educators and the learners. Transitioning from traditional face-to-face learning to online learning can be an entirely different experience for the learners and the educators, which they must adapt to with little or no other alternatives available. The education system and the educators have adopted “Education in Emergency”. While adapting to the new changes, staff and student readiness needs to be gauged and supported accordingly.

In this uncertain environment, it's important that learning still continues, for the budding learners to widen their vistas of knowledge. The college reopened virtually for the II and III UG and II PG on 15.06.2020. The classes commenced for the I UG on 18.08.2020 and I PG on 12.10.2020 through Online Mode. The student strength is 4580. There are 211 teaching and 199 nonteaching faculty members. Out of the 214 teaching members 99 are Doctoral Degree holders, 95 have cleared NET/SET Examinations.

35 Research Supervisors are guiding 67 Ph.D., scholars. We offer various Skill Development and Certificate Courses to support the students.

HOSTEL

Students were permitted as per Government Guidelines from December 2019 to February 2020 provided with Standard Operating Procedure followed. We have initiated Covid Test twice for final year students and one time for first and second years, totally 1277 RTPCR Test taken including Kitchen Workers and supportive staff.

Students are permitted to use Mobile Phone and Laptop inside the hostel due to online classes.

CONCLUSION

We have completed this academic year with great support and coordination by Management, Staff, Parents and students. There is a complete transformation in the Teaching-learning methodology which groomed the students to adopt with the latest technological innovations and thereby survive in this pandemic situation.

I thank and extend my gratitude to all the Members of Reddy Educational Trust, Members of College Governing Council, Members of Hostel Committee and School Committee. I also thank parents and students and all the well-wishers for the successful completion of this year.

Thank you.
