CAUVERY COLLEGE FOR WOMEN (AUTONOMOUS)

(Nationally Accredited (III Cycle) with 'A' Grade by NAAC)

Annamalai Nagar, Tiruchirappalli – 620 018.

ANNUAL REPORT 2019 – 2020

Esteemed Chief Guest, Members of the Reddy Educational Trust, College Governing Council, Hostel Committee, School Committee, Beloved Students, Members of the Press and Special Invitees, I am happy to present the College Day Report for the Academic year 2019-2020.

Higher Education is a very important factor in the growth and development of Human Resource, which is responsible for Social, Economic and Scientific development of the country. We play a significant role by providing higher education which is considered to be one of the major inputs in developing Quality Students towards achieving sustainable development.

There are emerging pedagogical practices that are proving successful in graduating 21st-century-ready students. Innovative practices, and the inclusion of social and emotional learning all reflect an underlying recognition that human development and community dynamics must be addressed to maximize achievement and life readiness. These efforts have been undertaken recently, and the results are promising.

Being an Autonomous institution, we focus on value based education with an outcome based curriculum to meet the corporate and social needs. We have been identified as a mentor institution under UGC PARAMARSH Scheme with financial support of Rs.30 lakhs. We have signed MoUs with 6 institutions as our mentee for motivating them towards Accreditation.

Our college reopened on 17.06.2019 with 4823 students, 233 teaching and 215 non-teaching members. Out of 233 teaching members, 93 are Doctorates, 95 have cleared NET/SET Examinations and 85 are pursuing their Ph.D degrees. We have introduced Research Programmes in Physics and Microbiology and six courses got permanent affiliation in this academic year. 22 research supervisors are guiding 166 Ph.D. Scholars.

We have great responsibility in developing the all-round personality of our students. To fulfill this we offer the following Additional Skill Development Courses.

1. Counselling Course for Women in Distress and Human Resource Management offered by the Department of Social Work
2. Basic Concepts of Income Tax, Career Oriented Programme – Skill Development on Self-Employment (EDC) offered by the Department of Commerce.
3. Tally and JAVA offered by the Department of Computer Science
4. DMLT and Mushroom Cultivation offered by the Department of Microbiology
5. Household Electricity, Troubleshooting of Home Appliances, Electrical Wiring and Digital Photography offered by the Department of Physics
6. Child Development offered by the Department of Food Service Management and Dietetics.
7. Skill Development Courses like Zardosi, Silk Thread Jewellery and Tailoring courses are conducted.
8. Personality Enhancement offered by the Department of English

We have successfully introduced MOOCS through SWAYAM, NPTEL and other Online Platforms for all final year students and 250 students have cleared the examinations. Our teaching faculty also have enrolled in these Online Courses in which one of our faculty secured a Gold Certificate and eight of our staff members cleared with Elite + Silver Certificate. We have been identified as Best Local Chapter by NPTEL. To facilitate Device Based Learning we have developed around 200 e - contents by 70 of our faculty members.

I congratulate all the self-motivated and task oriented teaching faculty for their support and hard work to meet local as well as global challenges. Following are the list of faculty who are involved in the process of academic enrichment.

HOSTEL

We provide a safe and comfortable stay for our inmates. We have 1150 students, 18 teaching, 80 non-teaching and 30 School students in our hostel. Our Hostel Committee is vigilant towards increasing the infrastructural requirements based on the demand felt. They show keen interest in meeting the changing needs of the students by adapting mechanised and modern cooking methods.

We follow a healthy structured menu taking into consideration the likes of the students and the increasing cost also. Our increased focus on innovation has resulted in installing solid waste management plants which is first-of-its-kind among Educational institutions and costs around five and a half lakhs. Our technological capacity is expanded by purchasing various equipments worth Rs.8 lakhs in this academic year.

To ensure comprehensive healthcare of students two doctors Dr.S.Lakshmi Prabha and Dr.S.Shanthi take care of the health issues of our students. Our inmates are our real assets. They have strong Curricular, Co-curricular and Extra-curricular skill sets and have brought laurels to our institution.

Conclusion

Education without vision is fruitless and Education without value is meaningless. This institution's vision is to support and enhance the overall development of the students and thereby enable them to be the best citizens of this Nation.

I take this opportunity to thank our benevolent Management for their guidances and support towards the success of this institution. My gratitude is due to all the Members of the Reddy Educational Trust.

I thank and extend my gratitude to the Members of the **Reddy Educational Trust**
