

CAUVERY COLLEGE FOR WOMEN

(Nationally Re-accredited (III Cycle) with 'A' Grade (3.41 CGPA out of 4) by NAAC)

Annamalai Nagar, Tiruchirappalli – 620 018.

ANNUAL REPORT 2017 – 2018

Esteemed Chief Guest Dr. S.Uma, Principal Scientist and Director, ICAR National Research Centre for Banana, Tiruchirappalli. Distinguished members of the Reddy Educational Trust, College Governing Council, Hostel Committee, School Committee, Special Invitees, Members of Teaching and Non-teaching, Respected Parents, friends from the Press and Media and my dear beloved disciplined students.

Cauvery College for Women provides meaningful education which inculcates moral values such as truthfulness, honesty, non-violence, humanity, loyalty, justice, courage, right conduct, self-discipline and generosity which later transforms our young ones into good citizens and great personalities.

I am delighted to present our 34th College Day report. The college reopened on 12.06.2017 with 5300 students 216 teaching and 198 non-teaching staff. We have applied for autonomy, we hope next academic year we march towards autonomy without UGC's onsite visit. This is possible due to higher grading of the NAAC in all the three cycles of accreditation. We got permanent affiliation for three courses and applied for research centre in the Department of Business Administration for Ph.D. in Management. We have 52 research supervisors, guiding 42 M.Phil., 33 Ph.D., scholars.

We have great responsibility in developing all-round personality of our students. To fulfill this we offer the following additional skill development courses.

1. Counselling Course for Women in Distress and Human Resource Management offered by the department of Social Work
2. Basic Concepts of Income Tax, Career Oriented Programme – Skill Development on Self-Employment (EDC) offered by the Department of Commerce.

3. Tally and JAVA offered by the Department of Computer Science
4. DMLT and Mushroom Cultivation offered by the Department of Microbiology
5. Household Electricity, Troubleshooting of Home Appliances, Electrical Wiring and Digital Photography offered by the Department of Physics
6. Principles of Interior Design offered by the Department of Food Service Management and Dietetics.
7. Skill Development courses like Zardosi, Silk Thread Jewelry and Tailoring courses are conducted

I am happy to present the academic elevation of our band of teaching faculty.

HOSTEL

Cauvery College for Women Hostel has crossed yet another splendid and successful year from its inception in 1985

This academic year, with the rapid expansion of the infrastructure, we are able to accommodate **1,135** college students, **26** school students, **15** faculty members and **72** non-teaching members in our hostel.

To have effective functioning of the hostel as well as to involve the students in taking up various responsibilities, various committees have been formed. We have excellent team of faculty -in-charges, housekeepers and other support staff for our day to day needs.

The hostel provides a serene atmosphere and clean surrounding to the inmates for their study and stay.

The hostel committee is vigilant to the increasing infrastructural requirements in the campus and hence latest gadgets and modern equipments are constantly upgraded for the welfare and comfort of the students.

Conclusion

The team spirit of our Management lead us to move towards academic excellence and quality enhancement. With their able support and guidance we elevate this prestigious institution to greater heights.

I thank and extend my gratitude to the Members of the **Reddy Educational Trust**
