INSTITUTION'S INNOVATION COUNCIL
REPORT ON INNOVATIONS IN ELECTROCHEMICAL
SUPERCAPACITORS FOR ELECTRODE APPLICATIONS

Institution Innovation Council of our college jointly with Department of Chemistry Organized Capacity building programme on Innovations in Electrochemical super capacitors for electrode applications on 17.04.2023 from 1.00 pm to 3.00 pm through online mode. Dr.R.Subha, IIC Convenor, Cauvery College for women welcomed the gathering by en lighting the importance of entrepreneurial skills in the field of science.. Dr.A.Simi, Assistant Professor, Department of Chemistry, St.Joseph College, Trichy signifies the importance of entrepreneurial skills in startups with novel ideas. He explored several case studies on innovations in electrode development and its applications in battery during their entrepreneurship journey. 41 students of our Institution participated in virtual session for gaining knowledge in building innovative ecosystem. The session ended with vote of thanks and students received their e certificates.

SOLUTION MAY ALSO CHANGE....

focused on creating best solution to a given problem.

We forget that problem itself might change. We are all focusing on building the strongest, most sophisticated product or service. Without thinking of possibility of that need could vanish, market could get change.
