Syllabus

1. Orientation: A detailed instruction about field work, objectives importance of field work. Orientation provides information regarding: (1) the importance and place of the practice in the social work education and (2) the purpose, functions, and ethics in professional practice

2. Observation Visits:

The purpose of the observation visits is to acquire skills of systematic observation and to develop a spirit of inquiry; to understand society's response to social problems through various services, understand and appreciate, to develop the ability to critically evaluate the initiative of voluntary and government programmes, and to develop an appreciation of social work intervention in these programmes.

A minimum of 10 visits to different social agencies with at least two settings pertaining to each field of specialisation. Suggested fields:

Health Setting: Hospitals, Psychiatric hospitals/clinics de-addiction centres, community health extension projects, district mental health programmes /projects, PHCs, etc

Educational Setting: Formal schools, non formal / adult education centres, etc.

Services for special groups: like differently abled, destitute, elderly- both institutional and non institutional

Community settings village visits, Corporations, municipalities, Panchayat Samitis etc.

Criminal Justice system: observation homes, jails, etc.

3. Rural /Tribal Camps provide opportunities to experience rural and tribal life, analyse rural and tribal dynamics, and observe the functioning of local self government and voluntary agencies. This experience helps peer participation in planning for activities for own group and for the local people. It helps to carry out, evaluate, and report the experience. It also helps the social work trainees in planning, organising, budgeting, mobilising, implementing and evaluating the projects to be implemented during the camps besides exposing their histrionic talents. The camps should be for a minimum of seven days organised by the Social Work students on a self supporting basis.

4. Group awareness project on social issues / problems – Minimum of 10 days to be allotted for this purpose. A programme should be organised by the group. Each group must comprise of 3-5 students. Suggested themes such as anti – dowry campaign, HIV/AIDS awareness, gender sensitization, alcoholism, and drug awareness, suicide prevention or any social problem could be considered.

Guidelines for the Summer Internship:

Summer internship gives an opportunity to develop linkage with reputed organizations. The objectives of summer internship is to expose students to the new learning situations and enable them to develop professional outlook and gain experience, which contribute for their professional development.

- Summer Internship comprises a time frame of 15 days at the end of first semester.
- The trainee must volunteer to locate a setting (own choice) about one month in advance and explore the possibilities of 15 days practice learning and finalize in consultation with the faculty advisors.
- The field work setting should preferably have a professionally trained social worker on the team of a staff.
- The social work trainee is to work directly with client systems and management operations of day to day work of the setting.
- Observation & Documentation, Assessment, Managing & working in teams, Implementing policies and procedures of the organizations should be the area of focus during the internship.

- Organizations for Internship could be chosen based on the trainee's inquisitiveness to work in any of the setting given below:
 - Mental health facility
 - Child protective services
 - Hospital
 - Nursing home
 - Domestic violence shelter
 - Homeless shelter
 - De Addiction centre
 - Advocacy organization
 - Local, state or national government offices
 - Environmental organizations
 - Women's centers
 - Domestic violence centers or shelter
- All expenses during the internship including travelling have to be borne by the trainee.
- The student trainee should maintain day-to-day records and a consolidated report in hard copy to the department (compulsory) and to the organization (on requirement) at the beginning of the II Semester. A MP4 file comprising of their experiences in Summer Internship have to be submitted too.
- A class presentation of their summer internship learnings should be done.
