REPORT

FDP on Pen Tablet for Smart Teaching

To make teaching learning effective with high quality and clarity especially during this pandemic, the Departments of Computer Science, Computer Applications and Information Technology collaborated with Internal Quality Assurance Cell (IQAC) of Cauvery College for Women, (Autonomous) by organizing a two day Faculty Development Programme on 'Pen Tablet for Smart Teaching' held on 17.12.2020 and 18.12.2020 for all the teaching faculty of various departments of the college. The teaching faculty of Computer Science, Computer Applications and Information Technology inculcated the usage of pen tablet to the beneficiaries.

The Management of the college took special care and concern to impart Hands on Training to the teachers on the usage of Pen Tablet for reaching the student community effectively through online teaching in the absence of blackboard-highlighting significant illustrations, diagrams, calculations etc.

The Principal of the college **Dr. Mrs. V. Sujatha** applauded the efforts of Computer Science, Computer Applications and Information Technology and urged the faculty of other departments, to delve deep and face the latest challenges in digital technology and create a fine pedagogy of novel ideas in teaching.

The Heads of the Department **Dr. V. Sinthu Janita Prakashof** Computer Science, **Dr. M. Parveen** of Information Technology, **Dr. R. Merlin Packiam** of Computer Applications, **Ms. V. Ramya** IQAC Coordinator and Controller of Examinations, felt the need of Pen Tablet training to replace blackboard and share important details through the monitor screen especially for PPT, Seminars, Conferences, Interactive Sessions, Mathematical Calculations and so on for Online mode and blended learning. The beneficiaries were 220 teaching staff of all the departments held in six batches for each day being taught by trainers of Computer Science, Computer Applications and Information Technology. Theoretical sessions and Practical demos followed with interactive sessions were conducted for clarification and enhancement of teaching in this smart era.
