# 1. Topic: Interdepartmental Quiz competition on COVID 19 vaccine: Myths and Facts

Date: 12.08.2021

No. of Beneficiaries: 407

## Cauvery college for Women (Autonomous), Trichy-18 PG & Research Department of Microbiology Interdepartmental Quiz competition on COVID 19 vaccine: Myths and Facts

The PG & Research Department of Microbiology conducted Interdepartmental Quiz competition on "COVID 19 vaccine: Myths and Facts" on 12.08.2021. About 407 Faculties and Students from various departments actively participated in this event. This interdepartmental quiz helped the participants to acquire more knowledge regarding the myths and facts of COVID 19 vaccine. Moreover, awareness was created to protect against COVID-19, including regular hand-washing, physical distancing, and ventilation of rooms.

## 2. Topic: National webinar on “Role of Microbes in Banana Production”

Date: 24.08.2021

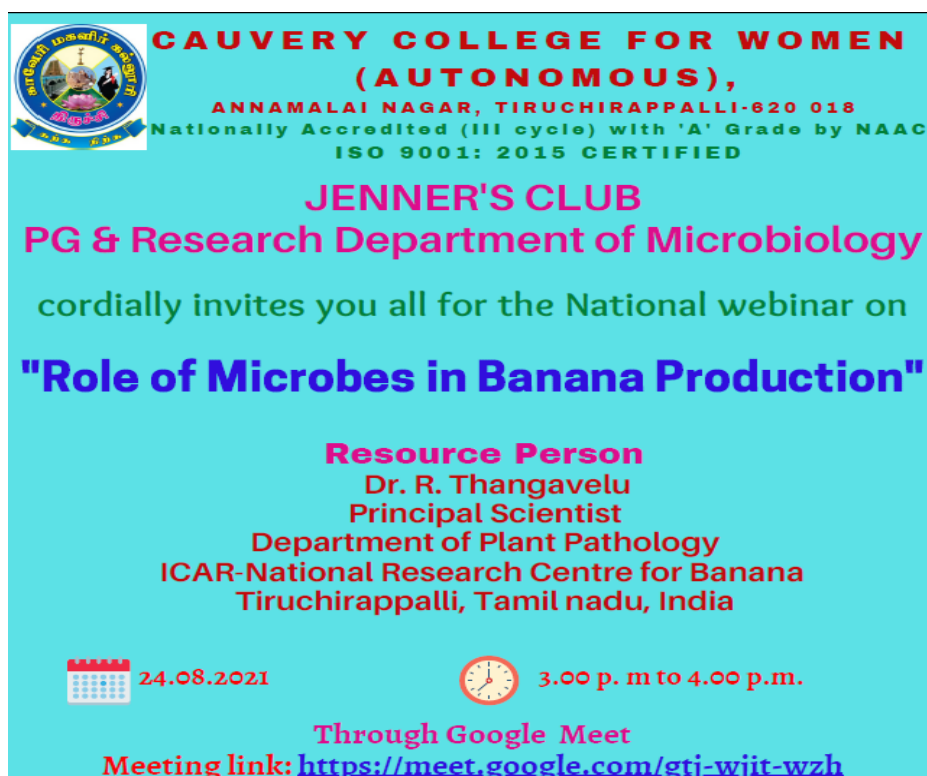

No.of Beneficiaries: 210

Resource Person: Dr. R. Thangavelu, Principal Scientist, Department of Plant Pathology,  
ICAR- National Research Centre forBanana, Tiruchirappalli.

### **Cauvery college for Women (Autonomous), Trichy-18 PG & Research Department of Microbiology National webinar on “Role of Microbes in Banana Production”**

The Resource person of this session Dr. R. Thangavelu presented the keynote address on “Role of Microbes in Banana Production”. He projected a clear understanding of the microbial role in Banana Production. He discussed the basic concepts used in the implementation of banana production. Furthermore, he inspired the participants by showing their activities which taken by the farmers. The content delivered by the Resource Person is appropriate and appreciated by all participants. The section ended with elaborate interactions by Resource person.

## 5. Topic: Awareness Programme on Impact of NEET

Date: 21.10.2021.

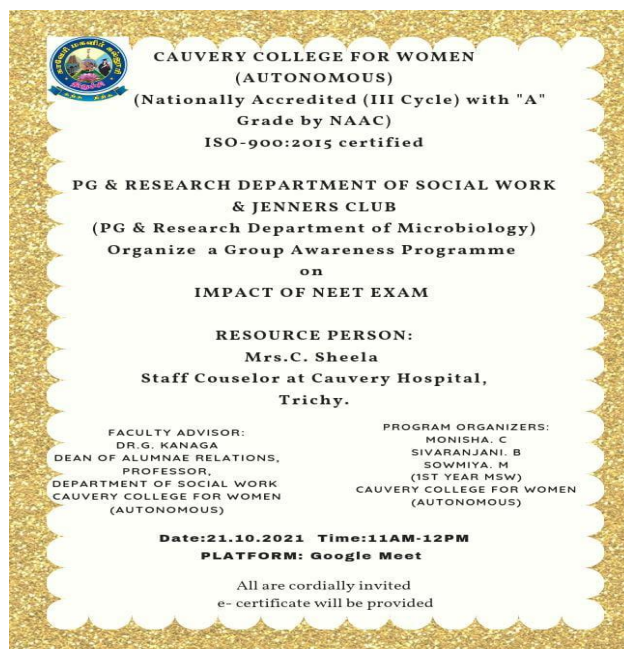

No. of Beneficiaries: 86

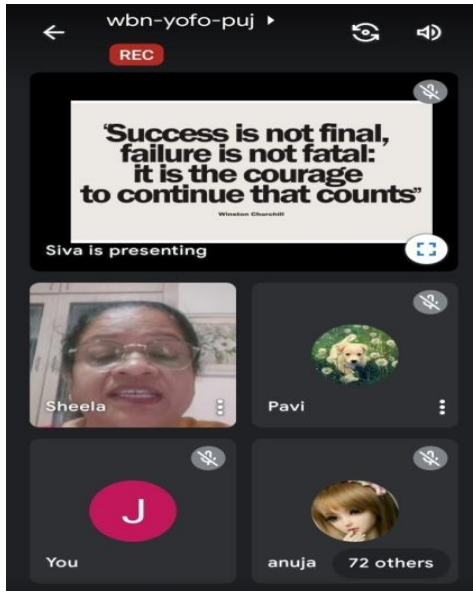

Resource Person: Mrs. C. Sheela, Staff Counselor at Cauvery Hospital, Trichy

### **Cauvery college for Women (Autonomous), Trichy-18 PG & Research Department of Microbiology Awareness Programme on Impact of NEET**

The Resource person of this session Mrs. C. Sheela presented the keynote address on Awareness Programme on Impact of NEET. She explained that NEET has adversely affected the social and economic policies of the State. Several medical aspirants commit suicide due to stress every year because of NEET. The session ended with elaborate interactions by Resource person.

Screen shot:

## 6. Topic: One day International Virtual conference on Computational Biology and Nanoscience

Date: 25.10.2021.

No. of Beneficiaries: 163

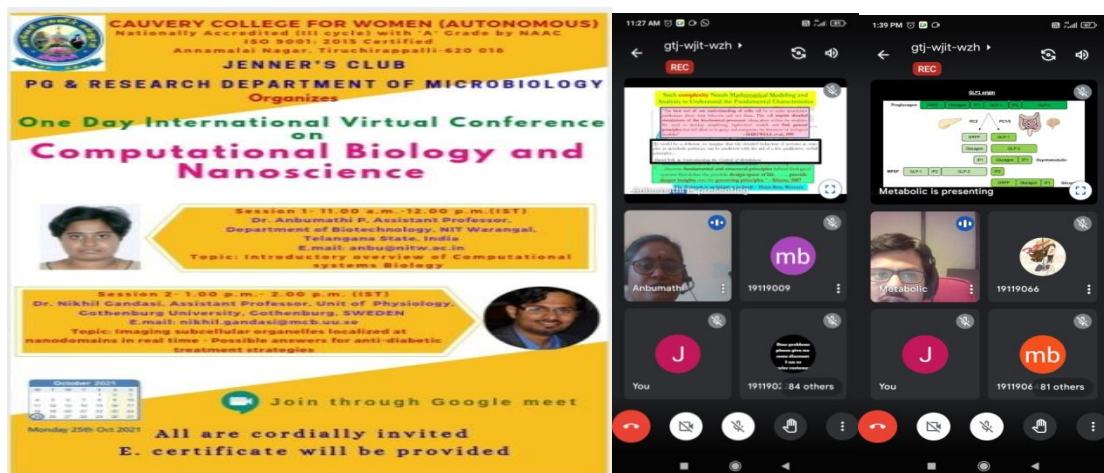

Resource Person: Session 1: Dr. P.Anbumathi, Assistant Professor, Department of Biotechnology, NIT Warangal- 506004, Telangana, India.

Session 2: Dr.Nikhil Gandasi, Assistant Professor, Unit of Physiology, Gothenburg University, Sweden.

### Cauvery college for Women (Autonomous), Trichy-18 PG & Research Department of Microbiology One day International Virtual conference on Computational Biology and Nanoscience

The Resource persons Dr. P. Anbumathi and Dr. Nikhil Gandasi presented the keynote address on Computational Biology and Nanoscience. They projected a clear overview on the areas of DNA sequence analysis, sequence comparison and reconstruction of phylogenetic trees. Furthermore, they inspired the participants by showing new discoveries in the field of genomics. The content delivered by the Resource Persons were appropriate and appreciated by all participants. The session ended with elaborate interactions by Resource person.

## 8. Topic: Cervical cancer awareness session

Date: 08.01.2022.

No. of Beneficiaries: 144

Resource Person: Dr.R.Punitha Rajesh, Consultant OBG, Fertility specialist & Laparoscopic surgeon, Sree Devi Hospital & Fertility centre, Trichy-6

### Cauvery college for Women (Autonomous), Trichy-18 PG & Research Department of Microbiology Cervical cancer awareness session

The Resource person of this session Dr.R.Punitha Rajesh presented the keynote address on cervical cancer awareness session. She projected a clear overview about Cancer and better health-seeking behaviour. Furthermore, she inspired the participants by showing cervical cancer vaccines for both men and women. Vaccinating against HPV can also help in protecting women from the virus by possibly decreasing the transmission. The content delivered by the Resource Person is appropriate and appreciated by all participants. The session ended with elaborate interactions by Resource person.

## 9. Topic: Hair donation camp for cancer patients

Date: 24.02.2022.

No. of Beneficiaries: 2008.

Resource Person: Mr.N.Jayaraj, Green Trends Unisex Hair & style Salon, Area Manager, Trichy

### Cauvery college for Women (Autonomous), Trichy-18 PG & Research Department of Microbiology Hair donation camp for cancer patients

The PG & Research Department of Microbiology organized Hair donation camp for cancer patients on 24.02.2022. About 2008 Students, teaching and non-teaching staff members of Cauvery College donated their hair for a nationwide campaign to make wigs for underprivileged cancer survivors. The activity was facilitated to make wigs for needy cancer survivors and to raise awareness on the disease, said a statement from the salon. Thirty stylists from Green Trends were on hand to snip 10 inches of hair from each donor, with no visible change in the overall look during the day-long event held on the college campus. The salon gifted participants with a pink clip-on hair extension as a symbol of their donation and empathy.
