

IT Policy

- ❖ Management, Principal along with Heads of the department decide the annual budget for procurement and maintenance of computing equipments.
- ❖ Management approves on the type of in house / commercial software application and hardware for the computers
- ❖ System failures or any related issues will be notified by the technical staff to the Head of the Department and the appropriate actions will be carried out by the concerned department.
- ❖ Cyber Security is enhanced through WATCHGUARD FIREFOX M470 firewall which monitors and controls incoming/outgoing network traffics and supports concurrent 450 users
- ❖ Internet connectivity was increased from 45 Mbps to 100 Mbps to have better Internet service during Jan 2020. In addition, to support administrative work 250 Mbps FTTH was introduced
