| Dr.V.Sujatha | IIC President, CCW | Our Institution is happy to be part of IIC/ARIIA/NSIP- an initiative to enhance innovative practices that support student entrepreneur career. IIC driven activities motivated the students to kindle their skills towards research. We support the students in all endeavors to build Startup's, IPR and Innovations. We are also fortunate to have industrial experts to mentor our students. |  |
| Dr.R.Subha | IIC Convenor | I am proud to be a part of the IIC team as I have built a passionate innate feel to develop the young minds and help them to explode with heir innovations which will build an entrepreneurial eco system in our campus and also will ignite the career of the students. Apart from students welfare activities I have groomed myself to be a professional mentor. We are gifted to have a supportive college management who wish to make every students dream come true. |  |
| Dr.K.Kalaiarsai | NRIF Coordinator | When I joined college, my initial focus was academics and research. Then IIC happened and it changed our outlook. IIC has now become an integral part of our academics and research life in the campus and we are encouraged to think, design, ideate, innovate & dream bigger. I am glad to state that in IIC we have an ambiance that promotes innovation and ideation. With the right mentoring from all other institution coordinators of IIC, we get to learn a lot about how a trivial idea can be modified & converted to great plan. After the establishment of IIC, we the faculty of IIC get exposure to a variety of events & activities related to innovation & start-ups being organized by our Institution Innovation Cell. Our sincere thanks and regards to the cell. |  |
