

CAUVERY COLLEGE FOR WOMEN, AUTONOMOUS
SMART INDIA HACKATHON - 2024
BATCH I

Institution Innovation Council of Cauvery College for Women, Autonomous organized **Internal Smart India Hackathon 2024** on September 4 2024. Nearly 34 teams participate and presented their ideas. The Smart India Hackathon (SIH) is a national event organized by the Government of India to encourage students to innovate and solve problems.

This event is an internal hackathon where the team will be selected for the finals. It invites participants from various department in the college to tackle real-world issues presented by government departments, industries, and other organizations.

The hackathon involves problem statements from these organizations, covering important areas like public health, education, infrastructure, and governance. Students form teams, using their diverse skills to address these challenges with technology.

Participants get guidance from industry experts throughout the competition. This helps them improve their ideas and ensure their solutions are both creative and practical. The event concludes with a grand finale where teams present their solutions to judges. The judges evaluate the solutions based on how innovative, practical, and impactful they are.

The SIH encourages students to use their technical skills and creativity while providing opportunities for networking and real-world experience. It helps build a culture of innovation and collaboration among young people, contributing to India's technological and societal progress. The judges for the competition were Mr. Vinoth Rajendran, Project Lead, Startup TN Trichy Regional Hub, Mr. J. Saravanan, Head-Agriculture and Food Technology, Bio-Innovation Centre, Bangalore and Mr. Mohammed Ithyas, Founder, Robotian-Makers & Learners, Trichy acted as external members where as Dr. R. BATCH II

Building on the momentum of Batch I, the Smart India Hackathon 2024 continued on 13th September 2024, featuring a fresh set of 13 dynamic teams eager to showcase their innovative solutions. The event was graced by three distinguished judges, all of whom are Innovation Ambassadors: Dr. K. Kalaiarasi from the Department of Mathematics, Dr. S. Gowri from the Department of Physics, and Dr. N. Jeenathunisa from the Department of Microbiology. These experts evaluated the presentations, which were delivered using PowerPoint, allowing the innovators to effectively communicate their ideas.

The competition provided a collaborative and competitive environment, encouraging students to apply their technical knowledge to real-world problems. Each team demonstrated their creativity and critical thinking, offering solutions that aligned with the objectives of the hackathon. This phase of the Smart India Hackathon 2024 served as an inspiring platform for the participants, helping them refine their ideas and strengthen their potential contributions to technological advancements.
