: 2 :

Now, therefore the parties hereto have agreed to enter into Memorandum of Understanding (MoU) considering the long term benefits of sharing the knowledge between the students and the staff members of the Institutes and establishing a vibrant academic collaboration, by undertaking joint activities in their respective fields of research, as below (hereinafter referred to as Activities")

Any additional agreement and co-operation shall be made in writing after mutual consent in the source of Annexure to the Memorandum of Understanding signed on 20.04.2022 at Tiruchirappalli in these copies where all copies have equal value.

It is mutually agreed by and between the parties as under

#### Activities

1. Seek mutual advice and support in planning and executing programme promoting excellence in respective areas of research and education;
2. Encourage the regular/visiting faculty members and scientists of either Institutions to visit the other Institute for giving talks in Lecture/Programme
3. Encourage students/research personnel of either institutions to attend lectures, seminars, workshops and conferences in the respective areas of interest.
4. Share the library and scientific literature facilities mutually by giving access to library and other resources of either Institute to the Scientists / Students / research personnel of other Institute.
