

CAUVERY COLLEGE FOR WOMEN, AUTONOMOUS
STUDENT INCUBATION CENTRE
PROGRESS MEETING

DATE: 17.03.2022

Minutes of the meet: 4

A comprehensive list of discussion points related to the incubation facility and its operations. Here's a summary highlighting the main themes:

1. **Facility Maintenance:** Emphasis on maintaining a conducive environment for incubation activities.
2. **Time Management:** Strategies for effective attendance logging using entry book credentials.
3. **Financial Processes:** Review of the purchase and payment processes, with a focus on streamlining these operations.
4. **Technical Training:** Provision of training on troubleshooting equipment to enhance staff skills.
5. **Funding Allocation:** Revenue from campus companies will support entrepreneurship development programs.
6. **Operational Efficiency:** Plans to improve operational efficiency and expand training opportunities for students.
7. **Equipment Maintenance:** Agreement on the importance of timely maintenance to prevent disruptions.
8. **Support for Ventures:** Discussion of additional resources to aid student-led projects.
9. **Performance Tracking:** Suggestions for key performance indicators to monitor marketing skill progress.
10. **Revenue Optimization:** Strategies to enhance revenue generation for promotional activities.
11. **Future Training:** Upcoming sessions will focus on practical troubleshooting for new equipment.

These points reflect a strong commitment to improving both the operational aspects of the facility and the support provided to students and ventures.
