EXTERNAL ACADEMIC AUDIT (2019-2021)

Academic audit refers to a systematic way of reviewing the quality of education in an institute. It is aimed towards quality assurance and in bringing improvements in the education system of the college. The institution gets an opportunity to understand the shortcomings and improve the quality of education of the various processes and systems of the college. This includes evaluation of all the curricular and co-curricular programs and activities which eventually helps the institution to maintain the high education standards on a long-term basis.

The External Academic Audit of the college for the period 2019-2021 was conducted on 26.03.2022. Six Academic external experts (two from the Faculty of Arts and four from the Faculty of Science) from neighboring universities were invited and three teams were constituted.

The departments were given a data sheet containing 45 questions. During the visit to the departments, the HODs made a brief presentation about the department on all aspects. The departments were requested to present all relevant documents in support of the department inputs physical verification. The teams verified all the documents /records and offered suggestions where improvements in the documentation were required. The teams visited all the infrastructural facilities such as classrooms, laboratories, seminar halls, computer labs, and department library. The teams interacted with the faculty members and received their feedback on teaching, research and evaluation. The teams also interacted with the students to get their feedback and suggestions regarding infrastructural facilities available, performance of teachers, evaluation methods adopted and teaching learning process.

Observation /Comments:

→ Nox field works, So they need to have good infrastructure to deal and create better campus college brand visibility.

→ Need guidance with regard to research publication, Conducting conference and getting practical project

→ Need guidance on creating an Uniqueness of this domain and needs to be given wider publicity among the Stakeholders.

Suggestions / Recommendations:

→ Provide better infrastructure especially for dealing PG student since the Parents are socially sensitive, and needs to be discussed privately. They may be provided with cubicles to address their issue.

Observation /Comments:

1. Students received good marks in University
2. Students Carryout the project and publish the papers
3. Publication is good.
4. More faculty members are having Ph.D degree and almost all of them are going to finish

Suggestions / Recommendations:

1. Motivating the Students to get through in CSIR, NET, NBHM examinations.
2. Publishing the papers in Science Citation indexed journals.
3. Industrial Collaboration is needed.
4. More research proposals to be submitted to CSIR, NBHM, DST (SERB).

Observation/Comments:

- Curriculum is well designed to cater the needs of Academia and Industry
- Students are encouraged to register to MOOCs Courses
- Department is upgraded to research department and obtained funds from DST – FIST & other minor Research Projects.
- Developed E-content for some courses.
- Faculty members are in Editorial Board of Journals & MHRD nominated innovation Ambassador.
- Department possess instrumentation facilities for research work.
- Department results are encouraging
- Department infrastructure is good catering to the needs of students and teachers
- Teaching Learning process through ICT tools is well utilized
- Library is having good number of books and journal subscriptions
- Maintenances of academic and official records are good which reveals the up to date status of the department

Suggestions/Recommendations:

- Research index of the faculty members could be improved by publishing their research work in WoS and SCI journals
- Faculty members should extend the instrumentation facilities obtained by FIST/Research projects for consultancy.
- Signing of MOU with Academia/Industries
- SMART board based teaching could be encouraged
- Both students and teachers should evolve innovate practices
- Broad Based Board of Students (BBBOS) including foreign experts could be conducted.
- Membership in academic bodies / committee could be encouraged
- Consultancy projects for income generations are lacking
- Faculty member should organize Workshops/ Conferences

Observation/Comments:

- Curriculum is well designed to cater the needs of Academia and Industry
- Students are encouraged to register to MOOCs Courses
- 12 scholars are pursuing research for doctorate degree under 3 faculty Members
- Faculty Members are delivering lectures as resource person in various forums
- Department results are encouraging
- Department infrastructure is good catering to the needs of students and teachers
- Teaching Learning process through ICT tools is well utilized
- Library is having good number of books and journal subscriptions
- Maintenances of academic and official records are good which reveals the up to date status of the department

Suggestions/Recommendations:

- Research index of the faculty members could be improved by publishing their research work in WoS and SCI journals
- Faculty member should try to obtain funding from funding agencies like DST, SERB, TARE etc.
- Faculty members should impart training for govt employees, lady home makers, in handling software, Apps etc.
- SMART board based teaching could be encouraged
- Both students and teachers should evolve innovate practices
- Broad Based Board of Students (BBBOS) including foreign experts could be conducted.
- Membership in academic bodies / committee could be encouraged
- Consultancy projects for income generations are lacking
- Faculty member should organize Workshops/ Conferences
- Student should be encouraged for clearing competitive examinations
- Patent Filing – Intellectual Property Rights (IPR) could be improved

Action Taken Report for the Suggestions given for the Academic Years – 2019-2021

Suggestions/ Recommendations	Action Taken
• More field Work so they need to have good infra structure to deal and create better Cauvery College brand visibility	• In order to enhance the quality of Field Work training of the students, it was taken an initiative to get compulsory completion certificates from all the 23 agencies which were collaborating with the Department of Social Work in extending training for Social Work students. • New agency was identified by the staff members named Silver Line hospital in order to make the students to get field training from organizations in a wider range.
• Need Guidance in terms of Research Publications, conducting conference and getting practical projects	• Seed money project Rs.20,000/- was sanctioned to Ms.PL.Rani, Principal investigator and Dr.G.Mettilda Buvaneswari, Assistant investigator to conduct a research study on "Social Media usage among Rural Youth in Tiruchirappalli District" and the results were published in refereed journals. • 3 research papers were published in Scopus indexed journal and 13 research papers were published in refereed journals. • An international Conference was organized on "The Deliberations on the Legislations Towards Women & Children" in the following academic year. • A book was published on "The Deliberations on the Legislations Towards Women & Children" and Staff members and students published book chapters. • A research project Rs.7500 was sanctioned to Ms.M.Sowmiya II MSW, Reg.Nnio.21203014 under the guidance Ms.S.Hema, Assistant Professor under TNSCST. The results were published.
• Need guidance on creating uniqueness of their domain and needs to be given wider publicity among the stakeholders	• The department took initiatives to reach out to the wider community by undertaking a Need Assessment Survey at the college Neighborhood Community "Solarajapuram". An analysis was made and based on the results social work intervention programmes were carried out. All the I year PG students were involved in the projects under the guidance of Dr.G.kanaga and Dr.G.Mettilda Buvaneswari. • Two MOUs were signed to give wider exposure to students. The first one was with Carmel College, Mala, Thrissur, Kerala for having Collaboration to have Research Project and Participation in event related to Co-curricular Activities, Study Tours and Orientation Visits, Teachers and Student Exchange

	etc. Another was with People's Development Initiatives, an NGO, Trichy to Initiate Anti Human Trafficking Club in order to develop Projects which include Women and child development, Education, Environment & Health, to conduct Training Programmes to create awareness on Human Trafficking, to create Anti Human Trafficking Portal to act as a knowledge repository as well as nodal point for all stakeholders. • A project Rs.1,00,000/ was sanctioned for Dr.G.Mettilda Buvaneswari to carry out developmental activities in an adopted village under Ministry of Human Resource Development. • The department took initiative to organize Faculty Development Programme on POSH Act for the College teachers to reach out to the teaching faculty.
• Provide better infra structure especially dealing with PG students since the projects are socially sensitive and needs to be discussed privately. They may be provided with cubicles to address their issues.	• The management of Cauvery College for Women recognized the need for providing better facility for the Department of Social Work and provided a bigger staff room in the ground floor (F8) where the faculty can meet their students privately for field work guidance and research guidance and meet students and staff from other departments for counselling.
